Be A Nonprofit Champion Sponsorship Packages

Show TNPA's robust membership community that your organization is a nonprofit champion and consider sponsoring TNPA's world-class programs. TNPA's sponsorship packages allow your organization to enhance its brand visibility among top leaders, strategists, and thinkers in the nonprofit sector.

Given the high demand for our programming, sponsorship packages are often reserved for current TNPA members, with limited opportunities for non-member firms. Our members can expect competitive sponsorship options and commensurate benefits to ensure an optimal return on their investment.

TNPA offers three distinct sponsorship packages:

1. Leadership Programming (Leadership Summit & Essential Leadership Lab) [Pages 2-3](#)
2. Mid-Level Manager Programming (Management Essentials & Rising Leaders Summit) [Page 4-5](#)
3. Next Generation Programming (Leading EDGE and Workforce Development) [Page 6](#)

Tiered options are available for each type of sponsorship to fit our members' various budgets and needs.

Sponsor More or Commit Early & Save

Companies sponsoring all 3 packages will receive a 5% discount on all. In addition, any company that commits to sponsorship of any package by December 15, 2025, and a 50% down payment by February 15, 2026, will receive an extra 5% discount on their total sponsorship.

Additional Sponsorships

The following will be offered as separate sponsorship opportunities:

- Nonprofit Fundraisers Symposium (March 25-27 in Washington, DC)
- Faith & Fundraising Forum (July 29 in National Harbor, MD)

- Essential Leadership Lab (virtual, year-round, now with 2 tracks)

These distinctive programs have quickly become must-attend events for nonprofit sector executives.

TNPA Leadership Summit | September 14-16, 2026 | San Antonio, Texas

Nonprofit organizations and commercial partners explore together our rapidly changing landscape and opportunities to keep pace with evolving expectations of our constituents, donors, and staff. This is consistently a sold-out event.

Essential Leadership Lab | January-December 2026 | Virtual

The Essential Leadership Lab begins its sixth year in January 2026. The members-only Lab is a sustained, year-round virtual program for experienced leaders. Since June 2025, Lab participants have met in two separate tracks, one for executive leaders who make decisions for their entire organizations and companies, and another for senior leaders who make decisions for their departments and teams. Participants meet monthly for facilitated peer discussions about the topics, issues, and opportunities that impact nonprofit health in today's social, economic, and political climate. Enrollment was consistently above 100 in 2025.
